(b) **Two thousand eight hundred fifty dollars maximum and one thousand five hundred dollars minimum for students attending institutions classified as part of the public four-year sector, including Linn State Technical College, or approved private institutions.**

2. All students with an expected family contribution of twelve thousand dollars or less shall receive at least the minimum award amount for his or her institution. 3. If appropriated funds are insufficient to fund the program as described, the maximum award shall be reduced across all sectors by the percentage of the shortfall. If appropriated funds exceed the amount necessary to fund the program, the additional funds shall be used to increase the number of recipients by raising the cutoff for the expected family contribution rather than by increasing the size of the award.

4. Every three years, beginning with academic year 2009-10, the award amount may be adjusted to increase no more than the Consumer Price Index for All Urban Consumers (CPI-U), 1982-1984 = 100, not seasonally adjusted, as defined and officially recorded by the United States Department of Labor, or its successor agency, for the previous academic year. The coordinating board shall prepare a report prior to the legislative session for use of the general assembly and the governor in determining budget requests which shall include the amount of funds necessary to maintain full funding of the program based on the baseline established for the program upon the [passage] **effective date** of sections 173.1101 to 173.1107. Any increase in the award amount shall not become effective unless an increase in the amount of money appropriated to the program necessary to cover the increase in award amount is passed by the general assembly.”; and
